

FOR IMMEDIATE RELEASE

## **TikiLIVE Introduces Two More Top Channels**

*Internet Protocol Television (IPTV) & Over-The-Top (OTT) Provider Rolls Out Go Fight Live TV and Grant Cardone TV Channels*

MARATHON, Fla. – (Date) – TikiLIVE, an Internet Protocol Television (IPTV) and Over-The-Top (OTT) Provider, has now made it easier for broadcasters to feature their own content on top of the TikiLIVE Electronic Program Guide (EPG). Broadcasters are now able to publish their own “window to the world” custom content channels and push them globally.

“We’ve now made it possible for content creators to display their customized channels and become channel number one. Check out these two brand new channels called [GoFightLive.tikilive.com](http://GoFightLive.tikilive.com) and [GrantCardoneTV.tikilive.com](http://GrantCardoneTV.tikilive.com)” said Tim Green, CIO of TikiLIVE.

More about the Go Fight Live channel.... Go Fight Live, GFL, is a pioneer in Internet sports, broadcasting more than 2,500 live events and more than 11,000 combat sports videos in 196 countries. GFL is especially proud to be streaming at TikiLIVE; their sports genres currently include boxing, MMA, Muay Thai, kickboxing and professional wrestling. TikiLIVE shall host over a dozen live fights on a monthly basis.

More about the Grant Cardone channel. Grant host his webcasts live from Miami Beach, FL, Grant is a New York Times best-selling author, international speaker, and is considered one of the top sales training and social media expert in the world today. He works with small companies and Fortune 500 companies to grow sales by finding overlooked opportunities and customizing the sales process to be more effective. TikiLIVE shall host dozens of live shows on a weekly basis.

These new channels have been added to the TikiLIVE HD lineup. They can be viewed on compatible players such as Fire Stick TV, Roku, Android TV, Apple TV, Nexus Player, and Chromecast TV devices.

### **About TikiLIVE**

TikiLIVE is an IPTV (Internet Protocol Television) / OTT (Over The Top) platform development and cloud hosting company that deploys enterprise solutions while providing first-in-class hosting to clients. The TikiLIVE team focuses on delivering HD video, including both live streaming video and video on-demand (VOD). TikiLIVE provides its users with a comprehensive set of tools for producing and managing their live HD streaming content.
