

TikiLIVE Launches their 2017 ‘Television Takeover’ Scholarship
*Leading IPTV and OTT Provider Announces that they are Now Accepting
Applications for 2017 College Scholarship*

MARATHON, FL (Date) - TikiLIVE, a leading Internet Protocol Television (IPTV) and Over-The-Top, or OTT Provider, has just launched their annual scholarship. The TikiLIVE “Television Takeover” Scholarship 2017 is open to any student enrolled in an undergraduate or graduate degree program by Jan. 1st, 2017, at any accredited U.S. college, university or institute.

TIKILIVE creates High Definition (HD) for live streaming audio and video content. Among their many other uses, solutions created by TikiLIVE are mainly used to deliver content to all devices such iPhones and Androids, Hisense, Opera TV, Amazon Fire TV, Set Top Boxes like Roku, APPLE TV and their own White-Label Set Top Box; and, many other places clients require up-to-the-second, engaging content.

The company believes that any financial support, large or small, can serve as a spark for someone’s education, and result in less worry with school-related costs and more focus on studies. With these beliefs in mind, TikiLIVE has created a \$1,000 scholarship fund.

Each applicant must submit an essay of 500 words or less by Dec. 31st, 2017 that includes the following:

- (1) Applicant’s name, address, phone number, and the university or institute of attendance as of Jan. 1, 2017.
- (2) ESSAY QUESTION: Has the internet become more reliable for news than television?

One student will be awarded a \$1,000 scholarship which will be announced in January 2018. For more information or to submit an application, please visit <http://www.tikilive.com/scholarship>.

All application submissions are subject to the [Guidelines for TikiLIVE’s Television Takeover Scholarship Submissions](#)
