

## Broadcast in High Definition!

- ✓ Broadcast LIVE with the **HDWAVE** or other popular RTMP broadcasters like **Flash Media Live Encoder**
- ✓ **Generate revenue** by charging **Pay Per View** for your LIVE Events and earn easy **residual income** from Videos On Demand

## White-Labeled Like Never Before!

- ✓ Combine the **power of TikiLIVE** with the **flexibility of WordPress** for a one-of-a-kind site!
- ✓ Separate yourself from hobby broadcasters with a completely customized, **easy-to-use** WordPress site and **sync your content** from your TikiLIVE account
- ✓ **Promote your brand** by using your own **custom web address**. No expensive webmasters needed!

## SEO and Social Media has never been easier!

- ✓ Build Your Online Presence and **increase your search engine rankings!**
- ✓ Populate your site with search engine-friendly blogs that help you **reach page 1**
- ✓ Take advantage of social media platforms like **Facebook** and **twitter** by adding your profiles and fan pages to your site
