

TikiLIVE, a Leading OTT Provider, Hosts Webinar for NCTC Members

MARATHON, Fla. – (February 23, 2016) – TikiLIVE, an Internet Protocol Television (IPTV) Platform and a leading Over the Top (OTT) Provider, is hosting an upcoming webinar for NCTC members.

Preston Meyer and Tim Green, representing NKTelco and TikiLIVE, will be hosting the NCTC webinar this Thursday, Feb. 25, 2016. Tim will be covering OTT and TVE (TV Everywhere) strategies that will feature the OTT platform NKTelco and NCTC during the webinar.

Tim Green will share with attendees and other members several new OTT strategies to expand their business beyond the bounds of one's current DMA and their cable box. Listeners will be able to ask the NKTelco team questions about their experiences in deploying a complete OTT delivery solution to their client base, and how this deployment is working for them. NKTelco shall be delivering content to all of the latest devices including Android Players, Chromecast, Apple TV Air Play, Amazon Fire, Roku and Smart TVs.

For more information on NCTC, please visit their website at <https://www.nctconline.org/>.

About TikiLIVE

TikiLIVE is an IPTV (Internet Protocol Television) platform, Over The Top (OTT) provider, software development firm, and cloud hosting company that deploys enterprise solutions while providing first-in-class hosting to clients.
