

TikiLIVE “The Cable Alternative” Teams up with NetRange

MARATHON, FL. December 7, 2018 – TikiLIVE, “The Cable Alternative” announces a strategic partnership with NetRange, the leading provider of global Smart TV and OTT ecosystems.

The TikiLIVE app will be available within NetRange’s Smart TV platforms as well as included with 2019 model cars equipped with NetRange’s Connected Car ecosystem OS.CAR to be shipped to North America. The TikiLIVE bouquet of content will be included on several models starting from 2019, providing a live streaming and VOD service to users of TikiLIVE steaming packages.

TikiLIVE shall service those who wish to take their entertainment on-the-go. Live HD Streaming along with 1000’s of hours of VOD and unlimited DVR may be accessed through the TikiLIVE app. Over 80 channels are included in the TikiLIVE lineup of premium and Independent Networks including, Live Sports, News, Lifestyle programs, TV Shows, Movies, Music, and Documentaries.

“Expanding TikiLIVE from within the vehicle players allows us an entirely fresh new market while introducing the cable alternative to customers and saving them money at the same time” said Tim Green, CIO and Founder of TikiLIVE.
